**Re: Freedom of Information Act Records Request**

from, we don't deal with that kind of petty nonsense. And it is intended to do nothing but divide people. And I'm just not going to be part of this effort to divide this administration.”<sup>4</sup>

Democracy Forward Foundation is a nonprofit organization organized under Internal Revenue Code § 501(c)(3) and dedicated to educating the public about the operation of the federal

government. The records we obtain from this request will be used to support those public education efforts, and we intend to disseminate publicly an analysis of those records. As a nonprofit organization, we do not have a commercial interest in the records. We therefore request a waiver of fees for searching and duplicating records in response to this request under the exception at 5 U.S.C. § 552(a)(4)(A)(iii), which requires waiver of fees if the disclosure is “in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.” If our request for a waiver is denied, we are willing to pay all reasonable fees incurred for searching and duplicating records in responding to this request, up to \$250. If the costs of responding to this request should exceed that amount, please contact us before incurring costs exceeding that amount.

If you need clarification as to the scope of the request, have any questions, or foresee any obstacles to releasing fully the requested records within the 20 day period, please contact Skye Perryman as soon as possible at [foia@democracyforward.org](mailto:foia@democracyforward.org) or 202-448-9090.

We appreciate your assistance and look forward to your prompt response.

Sincerely,
