Per my conversation with Hilary and previously with you, Wilbur, I am writing in an official capacity to say that Alice would very much like to do an internship this summer with Wilbur's office for any amount of time, even one week as I truly appreciate how busy he is and continues to be. Wanting to only attend Georgetown as her number one early action and decision school, her goal is to do what she can before she applies this fall. She leaves school around June 2nd or so and could easily extend her stay to work then or really just about anytime that would suit you, Wilbur. Obviously Alice knows she will be blessed to work for anyone doing anything in your office of secretary of commerce. She understands that any

job in the department is highly coveted. Please let me know how I can be of service to help answer questions and facilitate this highly prized opportunity for Alice.

Thank you, her Mother,

Good morning Hilary, are you and Wilbur available to attend this tribute dinner at the British Embassy residence for supporters of the International Student House, a wonderful place where 100 students from 31 countries reside while they are studying in DC. About 70 people will be in attendance at the dinner. VP Biden received the award in November and will not be at this event.

Let me know. Wishing you both a happy and healthy new year.
Warmly,

Hi. I have emailed Liam Fox's staff twice – again this morning....still no response but I will let you know as soon as I hear. I had an initial call with State/WH on the Chile trip this morning. They are coming back to me on correct protocol for the trip and who is suggested to go....so this I should know more by the end of the day. For the Secretary travel and meetings we make sure we run these through ethics and compliance. Since SWLR pays for you directly on any travel it will come to what State suggests for protocol. Some items are shifting on Friday – so once he gets in I will go through it and make sure Macie sends you a copy. Wendy

Secretary and Mrs. Ross,

I hope this email finds you well. You may have received the attached invitation in the mail directly for Anne Summers but my father, Donald Miller, suggested I also send you a copy via email. Ann and Peter Summers are graciously hosting an event at their home on March 22nd for our friend Clay Tippins, Republican candidate for Governor of Georgia. If you are in town, I hope you will consider joining us.

Clay is an exceptional individual and I think you will enjoy talking with him. After 15 years in the private sector, most recently running a half billion dollar P&L for global consulting giant Capgemini, Clay has decided to apply his business turnaround skills to help the people of Georgia by running for Governor. As an All-American swimmer at Stanford and retired Navy SEAL, Clay is no stranger to hard work and overcoming obstacles.

Clay believes that every State needs smaller and smarter government. This means tackling a variety of tough issues such as reducing waste and abuse of entitlement programs and implementing new programs around education, modern transportation, crime and health care. Clay's proven transformative leadership skills and background as a corporate consultant, Navy SEAL and successful technology business executive, will enable him to deliver new policy methods and better results that are replicable across State lines.

I know Clay would deeply appreciate the opportunity to gain your insight on a variety of issues. Please let me know if you have any questions about Clay, the event or if I can help facilitate an introduction.

Warmest Regards,
Prescott Miller

For more information on Clay please see his website, <https://claytippins.com/>.

So nice to see you in Palm Beach Easter Sunday.
As I mentioned to you, this year Bilderberg is meeting in Turin Italy, beginning with dinner June 7 and ending at noon June 10. We would love to have Wilbur return to update us on US trade and economic policy and would adjust the program to his schedule.
Best,
Marie-Josée
