Hey John,

I believe DOJ has those stats or BOP. Let me know if you need a contact over there. Merry Christmas.

Hey Tyler,

I'm doing a follow-up story on the disproportionate level at which illegal aliens are incarcerated in federal prison. Based on stats from yesterday, there are 35,334 confirmed illegal aliens in federal custody. So what percent do illegal aliens make up in the total federal custody population?

Thanks.

Yes. Non-citizens and non-nationals.

A total of 58,766 known or suspected aliens were in in DOJ custody at the end of FY 2017, including 39,455 persons in BOP custody and 19,311 in USMS custody. Of this total, 37,557 people had been confirmed by U.S. Immigration and Customs Enforcement (ICE) to be aliens (*i.e.*, non-citizens and non-nationals), while 21,209 foreign-born people were still under investigation by ICE to determine alienage and/or removability

Question: When DHS/DOJ refer to "aliens" or rather "confirmed aliens," they are referring to ALL foreign nationals in federal prisons, correct?

Hey Tyler,

Missed the DHS call about an hour ago. Will DHS be sending a news release out about the content of the call? Thanks.
