**Re: Texas Public Information Act Request**

Dear Public Information Officer,

Pursuant to the Texas Public Information Act, Tex. Gov't Code § 552.001 *et seq.*, Democracy Forward Foundation, on behalf of Christopher J. Tackett, submits this request for records.

***Records Requested***

In an effort to understand and clarify how school officials use electronic messaging to conduct official business, we request the following records:

- All electronic messages pertaining to official business sent or received by Superintendent Dr. Jeremy K. Glenn, including but not limited to e-mails, text messages, and chats (including those conducted on messaging platforms like Signal and WhatsApp), regardless of whether they are sent or received using a private account or on a private device. E-mails sent or received via Dr. Glenn's official school district e-mail account may be excluded from this search.

The timeframe for this search should be from July 23, 2022 until the date of the search. Please note that, under Texas Local Government Code § 202.002, "a local government record subject to a request under [the Texas Public Information Act], may not be destroyed until the request is resolved." We therefore ask that you take steps to ensure that no responsive records are destroyed immediately following receipt of this request.

Please search for records regardless of format, including paper records, electronic records, audiotapes, videotapes, photographs, data, and graphical materials. This request includes, without limitation, all correspondence, letters, emails, text messages, calendar entries, facsimiles, telephone messages, voice mail messages, and transcripts, notes, minutes, or audio or video recordings of any meetings, telephone conversations, or discussions. In searching for responsive records, however, please exclude publicly available materials such as news clips that mention otherwise responsive search terms.

The Public Information Act requires agencies to disclose information, with only limited exceptions for information that would harm an interest protected by a specific exemption or where disclosure is prohibited by law. Tex. Gov't Code § 552.022. In the event that Granbury ISD wishes to

withhold any documents or portions of documents, it must generally ask for a decision from the Attorney General about whether that information is within the exception. Tex. Gov't Code § 552.301(a), *Thomas v. Cornyn*, 71 S.W.3d 473, 480 (Tex. App. – Austin 2002, no pet.). However, we agree to the redaction of information that is subject to mandatory or discretionary exceptions, provided such redactions are clearly labeled on the information we receive, and provided that doing so will not prejudice our ability to request the redacted information in a subsequent request and/or to challenge the appropriateness of the redactions. If Granbury ISD wishes to withhold any documents in full, it must nonetheless request a decision from the Attorney General; should the Attorney General find that the documents ought to be withheld, we further request a written statement from Granbury ISD asserting its wishes to withhold the requested information and a copy of the written communication to the Attorney General asking for a decision on the issue. Tex. Gov't Code § 552.301(d).

If requested records are located in, or originated in, another agency, department, office, installation or bureau, please refer this request or any relevant portion of this request to the appropriate entity.

To the extent that the records are readily reproducible in a searchable, electronic format, we would prefer to receive the records in that format. However, if certain records are not available in that format, we are willing to accept the best available copy of each such record.

Please respond to this request in writing within 10 business days as required by under the Texas Government Code. Tex. Gov't Code § 552.301(b). If all of the requested documents are not available within that time period, we request that you provide us with all requested documents or portions of documents that are available within that time period. If no decision from the Attorney General is requested and the information required by § 552.301(d)(e-1) is not provided to us within 10 business days, the information we requested is presumed to be subject to public disclosure and must be released. Tex. Gov't Code § 552.302.

### ***Request for Fee Waiver***

We request a waiver of document search, review, and duplication fees associated with processing records for this request, in accordance with Texas Government Code Section 552.267.

The requested waiver is in the public interest because providing the copy of the information sought primarily benefits the general public.
