**Re: Freedom of Information Act Request**

Dear FOIA Officer:

Pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. §§ 552, Interfaith Alliance Foundation and Democracy Forward Foundation submit this request for records.

***Records Requested***

Interfaith Alliance Foundation ("IAF") and Democracy Forward Foundation ("DFF") request that your agency produce the following within twenty (20) business days:

All calendar entries (including attendees, calendar invitations, calendar invitation attachments) concerning the Task Force to Eradicate Anti-Christian Bias Meetings.<sup>1</sup>

SBA is identified as an agency participating in the Task Force, and presumably has identified a primary point of contact or other responsible official. This request seeks the calendar entries of that official that concern the Task Force. Given the short time period since the Task Force was created, we expect that this request can be assigned to the Simple Track and processed expeditiously.

Please provide all records from February 6, 2025, through the date the search is conducted.

***Scope of Search***

FOIA requires agencies to disclose information, with only limited exceptions for information that would harm an interest protected by a specific exemption or where disclosure is prohibited by law. 5 U.S.C. § 552(a)(8)(A). In the event that any of the requested documents cannot be disclosed in their entirety, we request that you release any material that can be reasonably segregated. See 5 U.S.C. § 552(b). Should any documents or portions of documents be withheld,

we further request that you state with specificity the description of the document to be withheld and the legal and factual grounds for withholding any documents or portions thereof in an index, as required by *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973). Should any document include both disclosable and non-disclosable material that cannot reasonably be segregated, we request that you describe what proportion of the information in a document is non-disclosable and how that information is dispersed throughout the document. *Mead Data Cent., Inc. v. U.S. Dep't of Air Force*, 566 F.2d 242, 261 (D.C. Cir. 1977).

If requested records are located in, or originated in, another agency, department, office, installation or bureau, please refer this request or any relevant portion of this request to the appropriate entity.

To the extent that the records are readily reproducible in an electronic format, we would prefer to receive the records in that format. However, if certain records are not available in that format, we are willing to accept the best available copy of each such record.

Please respond to this request in writing within 20 working days as required under 5 U.S.C. § 552(a)(6)(A)(i). If all of the requested documents are not available within that time period, we request that you provide us with all requested documents or portions of documents that are available within that time period. If all relevant records are not produced within that time period, we are entitled to a waiver of fees for searching and duplicating records under 5 U.S.C. § 552(a)(4)(A)(viii)(I).

### **Request for Fee Waiver**

Pursuant to 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's regulations, DFF requests a waiver of all fees associated with processing records for this request. FOIA requires documents to be furnished to requesters at no fee or reduced fees "if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester." 5 U.S.C. § 552(a)(4)(A).

The requested waiver is in the public interest because providing the copy of the information sought primarily benefits the general public. Democracy Forward Foundation has a demonstrated ability to disseminate information of public interest requested through freedom of information statutes, and based upon responses to this request may assist in publicizing records received to contribute significantly to the public understanding of the relevant government operations or activities. In particular, the requested information may contribute to the public's understanding of how the Trump administration is working to enforce its anti-Christian bias executive order and how agencies attend to comply with the order.

### **Request for Fee Waiver**

Pursuant to 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's regulations, DFF requests a waiver of all fees associated with processing records for this request. requester.” 5 U.S.C. § 552(a)(4)(A).

The requested waiver is in the public interest because providing the copy of the information sought primarily benefits the general public.
