Case No. 4:25-cv-40102-FDS

ORAL ARGUMENT REQUESTED

## MOTION FOR STAY UNDER 5 U.S.C. § 705 OR, IN THE ALTERNATIVE, PRELIMINARY INJUNCTION

Plaintiffs New England Synod, Evangelical Lutheran Church in America (ELCA); Greater Milwaukee Synod, ELCA; Southwest California Synod, ELCA; Southwestern Texas Synod, ELCA; Sierra Pacific Synod, ELCA; San Francisco Friends Meeting of the Religious Society of Friends; Pacific Yearly Meeting of the Religious Society of Friends; North Pacific Yearly Meeting of the Religious Society of Friends; American Baptist Churches USA; Alliance of Baptists; and Metropolitan Community Churches (together, "Plaintiffs") move under 5 U.S.C. § 705 and Federal Rule of Civil Procedure Rule 65 for an order staying or, in the alternative, preliminarily enjoining the implementation of action by Defendants Department of Homeland Security and DHS Secretary Kristi Noem to rescind their prior policy governing immigration enforcement at houses of worship and other sensitive locations.

As explained in the accompanying memorandum, Defendants have rescinded longstanding restrictions on carrying out immigration-enforcement operations such as arrests, searches, and surveillance at houses of worship and other areas of religious practice, leaving it to their agents

and employees' uncabined discretion to determine when such operations are appropriate. Since that change in policy, DHS agents have executed an increasing number of operations at or near houses of worship, sowing fear among worshippers and others who come to receive vital social services and substantially burdening the fundamental rights of free exercise and expressive association of Plaintiffs, their members, and countless others. For that reason and others, Defendants' actions violate the Religious Freedom Restoration Act, First Amendment, and Administrative Procedure Act.

Plaintiffs therefore seek a stay under 5 U.S.C. § 705 preliminarily setting aside Defendants' rescission of the former policy on houses of worship and other sensitive locations until the Court has resolved the merits of this case. In the alternative, they seek a preliminary injunction barring Defendants from implementing or otherwise giving effect to their new policy. Such relief is warranted because Plaintiffs are likely to prevail on the merits of all of their claims; they will continue to suffer significant irreparable injuries absent the Court's prompt intervention; and the public interest strongly favors preliminary relief.

For these reasons and those in the supporting memorandum and accompanying materials, hereby incorporated by reference, Plaintiffs respectfully request that the Court enter preliminary relief as set forth in the attached proposed order.
