**Re: Freedom of Information Act Request**

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (“FOIA”), 5 U.S.C. §§ 552 Democracy Forward Foundation submits this request for records.

***Records Requested***

Democracy Forward Foundation (“DFF”) requests that the Department of Justice (“DOJ”) produce the following within twenty (20) business days:

1. All materials prepared or compiled by DOJ officials for Attorney General Bondi’s review regarding the Jeffery Epstein matter.<sup>1</sup>

On February 21, 2025, during an interview with Fox News’s ‘America Reports,’ Attorney General Bondi stated in regards to Epstein’s client list “It’s sitting on my desk right now to review....” This request seeks the files that Attorney General Bondi referenced as awaiting her review as well as any other Epstein-related files compiled for her review.<sup>2</sup>

The timeframe for the above search should be records compiled or prepared from January 20, 2025, until the date of the search.

2. All briefing materials (such as memoranda, talking points, or emails summarizing key information) prepared for Attorney General Bondi for her meetings with President Trump regarding the Jefferey Epstein matter, including her May 2025 meeting at the White House.<sup>3</sup>

In May 2025, Attorney General Bondi and Deputy Attorney General Blanche informed the president at a meeting in the White House that his name was in the Epstein files, according to reporting from the Wall Street Journal.

The timeframe for the above search should be records compiled or prepared from March 15, 2025 to May 30, 2025.

### ***Scope of Search***

FOIA requires agencies to disclose information, with only limited exceptions for information that would harm an interest protected by a specific exemption or where disclosure is prohibited by law. 5 U.S.C. § 552(a)(8)(A). In the event that any of the requested documents cannot be disclosed in their entirety, we request that you release any material that can be reasonably segregated. *See* 5 U.S.C. § 552(b). Should any documents or portions of documents be withheld, we further request that you state with specificity the description of the document to be withheld and the legal and factual grounds for withholding any documents or portions thereof in an index, as required by *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973). Should any document include both disclosable and non-disclosable material that cannot reasonably be segregated, we request that you describe what proportion of the information in a document is non-disclosable and how that information is dispersed throughout the document. *Mead Data Cent., Inc. v. U.S. Dep't of Air Force*, 566 F.2d 242, 261 (D.C. Cir. 1977).

If requested records are located in, or originated in, another agency, department, office, installation or bureau, please refer this request or any relevant portion of this request to the appropriate entity.

To the extent that the records are readily reproducible in an electronic format, we would prefer to receive the records in that format. However, if certain records are not available in that format, we are willing to accept the best available copy of each such record.

Please respond to this request in writing within 20 working days as required under 5 U.S.C. § 552(a)(6)(A)(i). If all of the requested documents are not available within that time period, we request that you provide us with all requested documents or portions of documents that are available within that time period. If all relevant records are not produced within that time period,

we are entitled to a waiver of fees for searching and duplicating records under 5 U.S.C. § 552(a)(4)(A)(viii)(I).

### **Request for Fee Waiver**

Pursuant to 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's regulations, DFF requests a waiver of all fees associated with processing records for this request. FOIA requires documents to be furnished to requesters at no fee or reduced fees "if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester." 5 U.S.C. § 552(a)(4)(A).

In determining whether a fee waiver is appropriate, courts consider whether a requester has a "demonstrated . . . ability to disseminate the requested information," *Cause of Action v. F.T.C.*, 799 F.3d 1108, 1116-17 (D.C. Cir. 2015), and whether the requester regularly disseminates records obtained through FOIA to "a reasonably broad audience of persons interested in the subject" of its work. *Carney v. U.S. Dep't of Justice*, 19 F.3d 807, 814-15 (2d Cir. 1994). FOIA does not require a requester to describe exactly how it intends to disseminate the information requested, as that would require "pointless specificity"; all that is necessary is for a requester to adequately demonstrate its "ability to publicize disclosed information." *Judicial Watch, Inc. v. Rossotti*, 326 F.3d 1309, 1314 (D.C. Cir. 2003). In evaluating a fee waiver request, courts consider how a requester actually communicates information collected through FOIA to the public, including press releases or a website where documents received are made available, *see id.*, or whether the requester has a history of "contacts with any major news[] companies" that suggest an ability to disseminate materials of interest through the press. *Larson v. C.I.A.*, 843 F.2d 1481, 1483 (D.C. Cir. 1988) (upholding a denial of a fee waiver to a requester who had failed to identify his relationships with newspaper companies that could disseminate documents).

The requested waiver is in the public interest because providing the copy of the information sought primarily benefits the general public. Democracy Forward Foundation has a demonstrated ability to disseminate information of public interest requested through freedom of information statutes, and based upon responses to this request may assist in publicizing records received to contribute to the public's understanding of DOJ's actions relating to the release of the Epstein matter materials. DFF intends to publicize records DFF receives to contribute significantly to the public's understanding of how this Administration has backtracked on efforts to be transparent.

To this latter point, DFF has a demonstrated ability to disseminate information of public interest requested through FOIA. When DFF obtains materials through FOIA requests that are of significant public interest, DFF's communications staff regularly works to ensure that these materials and their contents are featured in press articles educating the public about the

operation of government; many articles feature additional commentary and analysis from DFF staff about those materials and their relevance to policy issues of public interest. Indeed, records received by DFF have previously formed the basis of news reports.<sup>4</sup>

Democracy Forward Foundation is not filing this request to further any commercial interest, and any information obtained by Democracy Forward Foundation as a result of this request and disclosed will be disclosed at no cost.

If the request for a waiver is denied, we are willing to pay all reasonable fees incurred for searching and duplicating records in responding to this request, up to \$50. If the costs of responding to this request should exceed that amount, please contact us before incurring costs exceeding that amount.
