Re: Expedited Freedom of Information Action Request

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (“FOIA”), 5 U.S.C. §§ 552, Democracy Forward Foundation submits this request for records.

Records Requested

Democracy Forward Foundation (“DF”) requests that the United States Agency for International Development (“USAID”) produce the following within twenty (20) business days:

1. All directives, instructions, and guidance issued by Acting Administrator Marco Rubio and/or Peter Marocco.
2. All communications (including email messages, complete email chains, calendar invitations, or attachments thereto, as well as any text messages or messages sent on messaging platforms such as Microsoft Teams, WhatsApp, Signal, or GChat) of Marco Rubio, Peter Marocco, and any other USAID political (or special government employee) leadership regarding shutdown directives, including administrative leave; return to the U.S. for staff stationed abroad; and funding freeze.¹
3. All external communications (including email messages, complete email chains, calendar invitations, or attachments thereto, as well as any text messages or messages sent on messaging platforms such as Slack, Microsoft Teams, WhatsApp, Signal, or GChat) between (a) any of USAID’s political appointees (and special government

employees who have started at or been detailed to the USAID since January 20, 2025), and (b) anyone outside government, including but not limited to anyone with an email address ending in .com / .org / .net / .edu / .us.

4. All communications (including email messages, complete email chains, calendar invitations, or attachments thereto, as well as any text messages or messages sent on messaging platforms such as Slack, Microsoft Teams, WhatsApp, Signal, or GChat) between (a) any of USAID's political appointees (and special government employees who have started at or been detailed to USAID since January 20, 2025) and (b) any representatives of the Executive Office of the President (including, but not limited to, emails ending in eop.gov), Elon Musk, or any representatives of Elon Musk, the "Department of Government Efficiency" ("DOGE") or the U.S. "DOGE" Service, or any representatives of the Office of Personnel Management (including, but not limited to, emails ending in opm.gov).
5. All directives, instructions, and guidance issued to implement the District Court for the District of Columbia's February 7, 2025 order requiring that all USAID employees on administrative leave be reinstated with full system access, that no additional employees be placed on administrative leave before February 14, and that no USAID employees be evacuated from host countries before February 14.

This request seeks records from January 20th, 2025 until the date of the search.

Request for Expedited Processing

I certify to the best of my knowledge and belief that expedited processing of this request is required because there is a "compelling need" for the disclosure of the requested information.² DFF is an organization primarily engaged in "disseminating information to the public,"³ as evidenced by the previous use of public records obtained by DFF in numerous news reports.⁴

² 5 U.S.C. § 552 (6)(E).

³ 5 U.S.C. § 552 (6)(E)(v)(II) ("Compelling need" for the purpose of expedited processing mean "with respect to a request made by a person primarily engaged in disseminating information, urgency to inform the public concerning actual or alleged Federal Government activity.").

Further there is a clear “urgency to inform the public” of the actions the Administration has taken in its initial weeks, as discussed above. The public urgently needs to understand USAID’s leadership decisions regarding stoppage of work at the agency and how that impacts the lives of everyday Americans. There have been extensive news reports concerning these matters cited in this request serve to further demonstrate the urgent need for this information.⁵

Scope of Search

FOIA requires agencies to disclose information, with only limited exceptions for information that would harm an interest protected by a specific exemption or where disclosure is prohibited by law. 5 U.S.C. § 552(a)(8)(A). In the event that any of the requested documents cannot be disclosed in their entirety, we request that you release any material that can be reasonably segregated. See 5 U.S.C. § 552(b). Should any documents or portions of documents be withheld, we further request that you state with specificity the description of the document to be withheld

If requested records are located in, or originated in, another agency, department, office, installation or bureau, please refer this request or any relevant portion of this request to the appropriate entity.

To the extent that the records are readily reproducible in an electronic format, we would prefer to receive the records in that format. However, if certain records are not available in that format, we are willing to accept the best available copy of each such record.

Please respond to this request in writing within 20 working days as required under 5 U.S.C. § 552(a)(6)(A)(i). If all of the requested documents are not available within that time period, we request that you provide us with all requested documents or portions of documents that are available within that time period. If all relevant records are not produced within that time period, we are entitled to a waiver of fees for searching and duplicating records under 5 U.S.C. § 552(a)(4)(A)(viii)(I).

Request for Fee Waiver

Pursuant to 5 U.S.C. § 552(a)(4)(A)(iii) and 39 C.F.R. § 265.9, DFF requests a waiver of all fees associated with processing records for this request. FOIA requires documents to be furnished to requesters at no fee or reduced fees “if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.” 5 U.S.C. § 552(a)(4)(A).

In determining whether a fee waiver is appropriate, courts consider whether a requester has a “demonstrated . . . ability to disseminate the requested information,” *Cause of Action v. F.T.C.*, 799 F.3d 1108, 1116-17 (D.C. Cir. 2015), and whether the requester regularly disseminates records obtained through FOIA to “a reasonably broad audience of persons interested in the subject” of its work. *Carney v. U.S. Dep't of Justice*, 19 F.3d 807, 814-15 (2d Cir. 1994). FOIA does not require a requester to describe exactly how it intends to disseminate the information requested, as that would require “pointless specificity”; all that is necessary is for a requester to adequately demonstrate its “ability to publicize disclosed information.” *Judicial Watch, Inc. v. Rossotti*, 326 F.3d 1309, 1314 (D.C. Cir. 2003). In evaluating a fee waiver request, courts consider how a requester actually communicates information collected through FOIA to the public, including press releases or a website where documents received are made available, *see*

id., or whether the requester has a history of “contacts with any major news[] companies” that suggest an ability to disseminate materials of interest through the press. *Larson v. C.I.A.*, 843 F.2d 1481, 1483 (D.C. Cir. 1988) (upholding a denial of a fee waiver to a requester who had failed to identify his relationships with newspaper companies that could disseminate documents).

The requested waiver is in the public interest because providing the copy of the information sought primarily benefits the general public. Democracy Forward has a demonstrated ability to disseminate information of public interest requested through freedom of information statutes, and based upon responses to this request may assist in publicizing records received to contribute to the public’s understanding of USAID’s dramatic action to cut its work. Indeed, records received by Democracy Forward have previously formed the basis of news reports.⁶

Please provide all records from January 20, 2025, through the date the search is conducted.

Scope of Search

FOIA requires agencies to disclose information, with only limited exceptions for information that would harm an interest protected by a specific exemption or where disclosure is prohibited by law. 5 U.S.C. § 552(a)(8)(A). In the event that any of the requested documents cannot be disclosed in their entirety, we request that you release any material that can be reasonably segregated. *See* 5 U.S.C. § 552(b). Should any documents or portions of documents be withheld, we further request that you state with specificity the description of the document to be withheld and the legal and factual grounds for withholding any documents or portions thereof in an index, as required by *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973). Should any document include both disclosable and non-disclosable material that cannot reasonably be segregated, we request that you describe what proportion of the information in a document is non-disclosable and how that information is dispersed throughout the document. *Mead Data Cent., Inc. v. U.S. Dep't of Air Force*, 566 F.2d 242, 261 (D.C. Cir. 1977).

If requested records are located in, or originated in, another agency, department, office, installation or bureau, please refer this request or any relevant portion of this request to the appropriate entity.

To the extent that the records are readily reproducible in an electronic format, we would prefer to receive the records in that format. However, if certain records are not available in that format, we are willing to accept the best available copy of each such record.

Please respond to this request in writing within 20 working days as required under 5 U.S.C. § 552(a)(6)(A)(i). If all of the requested documents are not available within that time period, we request that you provide us with all requested documents or portions of documents that are available within that time period. If all relevant records are not produced within that time period, we are entitled to a waiver of fees for searching and duplicating records under 5 U.S.C. § 552(a)(4)(A)(viii)(I).

Pursuant to 5 U.S.C. § 552(a)(4)(A)(iii) and 39 C.F.R. § 265.9, DFF requests a waiver of all fees associated with processing records for this request. FOIA requires documents to be furnished to requesters at no fee or reduced fees “if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.” 5 U.S.C. § 552(a)(4)(A).

The requested waiver is in the public interest because providing the copy of the information sought primarily benefits the general public. Democracy Forward has a demonstrated ability to disseminate information of public interest requested through freedom of information statutes, and based upon responses to this request may assist in publicizing records received to contribute to the public’s understanding of federal law enforcement policy, including by illuminating the involvement of the U.S. Marshals Service in judicial proceedings and which has received public attention. Democracy Forward is not filing this request to further any commercial interest, and any information obtained by Democracy Forward as a result of this request and disclosed will be disclosed at no cost.
