**Re: Freedom of Information Act Request**

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (“FOIA”), 5 U.S.C. §§ 552, Democracy Forward Foundation submits this request for records.

***Records Requested***

Democracy Forward Foundation (“DFF”) requests that the Elections Assistance Commission (“EAC”) produce the following within twenty (20) business days:

1. All email communications (including email messages, complete email chains, email attachments, calendar invitations) sent by (a) the EAC Commissioners listed below to (b) email addresses that end in .com, .co, .us, .net, .org, .mail, .edu, .law, .legal, .ch, .me, or .group that (c) concern official business.

EAC Commissioners

- A. Commissioner Donald Palmer
- B. Commissioner Thomas Hicks
- C. Commissioner Christy McCormick
- D. Commissioner Benjamin Hovland

In an effort to accommodate the EAC and reduce the number of potentially responsive records to be processed and produced, DFF has limited part 1 of this request to communications sent by the EAC Commissioners. To be clear, however, DFF still requests that complete email chains and texts be produced, displaying both sent and received messages. This means, for example, that both Commissioner Palmer’s response to an email and the initial received message are responsive to this request and should be produced

2. All text messages (including messages sent on applications such as WhatsApp or Signal) sent and received by the EAC commissioners identified in part 1 of this request that concern official business.

This request seeks records from October 15, 2025 until the date of the search.

### ***Scope of Search***

FOIA requires agencies to disclose information, with only limited exceptions for information that would harm an interest protected by a specific exemption or where disclosure is prohibited by law. 5 U.S.C. § 552(a)(8)(A). In the event that any of the requested documents cannot be disclosed in their entirety, we request that you release any material that can be reasonably segregated. *See* 5 U.S.C. § 552(b). Should any documents or portions of documents be withheld, we further request that you state with specificity the description of the document to be withheld and the legal and factual grounds for withholding any documents or portions thereof in an index, as required by *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973). Should any document include both disclosable and non-disclosable material that cannot reasonably be segregated, we request that you describe what proportion of the information in a document is non-disclosable and how that information is dispersed throughout the document. *Mead Data Cent., Inc. v. U.S. Dep't of Air Force*, 566 F.2d 242, 261 (D.C. Cir. 1977).

If requested records are located in, or originated in, another agency, department, office, installation or bureau, please refer this request or any relevant portion of this request to the appropriate entity.

To the extent that the records are readily reproducible in an electronic format, we would prefer to receive the records in that format. However, if certain records are not available in that format, we are willing to accept the best available copy of each such record.

Please respond to this request in writing within 20 working days as required under 5 U.S.C. § 552(a)(6)(A)(i). If all of the requested documents are not available within that time period, we request that you provide us with all requested documents or portions of documents that are available within that time period. If all relevant records are not produced within that time period, we are entitled to a waiver of fees for searching and duplicating records under 5 U.S.C. § 552(a)(4)(A)(viii)(I).

### ***Request for Fee Waiver***

Pursuant to 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's regulations, Democracy Forward Foundation requests a waiver of all fees associated with processing records for this request. FOIA requires documents to be furnished to requesters at no fee or reduced fees when "if

disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.” 5 U.S.C. § 552(a)(4)(A).

In determining whether a fee waiver is appropriate, courts consider whether a requester has a “demonstrated . . . ability to disseminate the requested information,” *Cause of Action v. F.T.C.*, 799 F.3d 1108, 1116-17 (D.C. Cir. 2015), and whether the requester regularly disseminates records obtained through FOIA to “a reasonably broad audience of persons interested in the subject” of its work. *Carney v. U.S. Dep’t of Justice*, 19 F.3d 807, 814-15 (2d Cir. 1994). FOIA does not require a requester to describe exactly how it intends to disseminate the information requested, as that would require “pointless specificity”; all that is necessary is for a requester to adequately demonstrate its “ability to publicize disclosed information.” *Judicial Watch, Inc. v. Rossotti*, 326 F.3d 1309, 1314 (D.C. Cir. 2003). In evaluating a fee waiver request, courts consider how a requester actually communicates information collected through FOIA to the public, including press releases or a website where documents received are made available, see *id.*, or whether the requester has a history of “contacts with any major news[] companies” that suggest an ability to disseminate materials of interest through the press. *Larson v. C.I.A.*, 843 F.2d 1481, 1483 (D.C. Cir. 1988) (upholding a denial of a fee waiver to a requester who had failed to identify his relationships with newspaper companies that could disseminate documents).

DFF has a demonstrated ability to disseminate information of public interest requested through FOIA, and intends to publicize records DFF receives that contribute significantly to the public’s understanding of the actions and communications of individuals tasked with elections-related actions in the federal government. When DFF obtains materials through FOIA requests that are of significant public interest, DFF’s communications staff regularly works to ensure that these materials and their contents are featured in press articles educating the public about the operation of government; many articles feature additional commentary and analysis from DFF staff about those materials and their relevance to policy issues of public interest. Indeed, records received by DFF have previously formed the basis of news reports.<sup>1</sup>

Democracy Forward Foundation is not filing this request to further any commercial interest, and any information obtained by Democracy Forward Foundation as a result of this request and disclosed will be disclosed at no cost.

If the costs of responding to this request should exceed that amount, please contact us before incurring costs exceeding that amount.
