**Re: Freedom of Information Act Request**

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (“FOIA”), 5 U.S.C. §§ 552, Democracy Forward Foundation submits this request for records.

***Records Requested***

Democracy Forward Foundation (“DFF”) requests that the Federal Housing Finance Agency (“FHFA”) produce the following within twenty (20) business days:

A copy of the letter William J. Pulte or his staff drafted regarding the potential termination of Jerome H. Powell from his position as Chair of the Federal Reserve and/or from his membership on the Federal Reserve Board. This document was also reportedly sent or provided to the White House and/or President Trump.

This request seeks records from July 1, 2025 until the date of the search.

This request is based on public reports of the president’s use and disclosure of such a document.<sup>1</sup> As the President reportedly shared this letter with individuals outside the executive branch, it should not be withheld under Exemption 5 for intra-agency and inter-agency memoranda.

We expect that this discrete request for a single, easily identifiable document will be assigned to the Simple processing track and can be processed expeditiously.

FOIA requires agencies to disclose information, with only limited exceptions for information that would harm an interest protected by a specific exemption or where disclosure is prohibited by law. 5 U.S.C. § 552(a)(8)(A). In the event that any of the requested documents cannot be disclosed in their entirety, we request that you release any material that can be reasonably segregated. *See* 5 U.S.C. § 552(b). Should any documents or portions of documents be withheld, we further request that you state with specificity the description of the document to be withheld and the legal and factual grounds for withholding any documents or portions thereof in an index, as required by *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973). Should any document include both disclosable and non-disclosable material that cannot reasonably be segregated, we request that you describe what proportion of the information in a document is non-disclosable and how that information is dispersed throughout the document. *Mead Data Cent., Inc. v. U.S. Dep't of Air Force*, 566 F.2d 242, 261 (D.C. Cir. 1977).

If requested records are located in, or originated in, another agency, department, office, installation or bureau, please refer this request or any relevant portion of this request to the appropriate entity.

To the extent that the records are readily reproducible in an electronic format, we would prefer to receive the records in that format. However, if certain records are not available in that format, we are willing to accept the best available copy of each such record.

Please respond to this request in writing within 20 working days as required under 5 U.S.C. § 552(a)(6)(A)(i). If all of the requested documents are not available within that time period, we request that you provide us with all requested documents or portions of documents that are available within that time period. If all relevant records are not produced within that time period, we are entitled to a waiver of fees for searching and duplicating records under 5 U.S.C. § 552(a)(4)(A)(viii)(I).

### **Request for Fee Waiver**

Pursuant to 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's regulations, DFF requests a waiver of all fees associated with processing records for this request. FOIA requires documents to be furnished to requesters at no fee or reduced fees "if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester." 5 U.S.C. § 552(a)(4)(A).

In determining whether a fee waiver is appropriate, courts consider whether a requester has a "demonstrated . . . ability to disseminate the requested information," *Cause of Action v. F.T.C.*, 799 F.3d 1108, 1116-17 (D.C. Cir. 2015), and whether the requester regularly disseminates

# DEMOCRACY FORWARD

records obtained through FOIA to “a reasonably broad audience of persons interested in the subject” of its work. *Carney v. U.S. Dep’t of Justice*, 19 F.3d 807, 814-15 (2d Cir. 1994). FOIA does not require a requester to describe exactly how it intends to disseminate the information requested, as that would require “pointless specificity”; all that is necessary is for a requester to adequately demonstrate its “ability to publicize disclosed information.” *Judicial Watch, Inc. v. Rossotti*, 326 F.3d 1309, 1314 (D.C. Cir. 2003). In evaluating a fee waiver request, courts consider how a requester actually communicates information collected through FOIA to the public, including press releases or a website where documents received are made available, *see id.*, or whether the requester has a history of “contacts with any major news[] companies” that suggest an ability to disseminate materials of interest through the press. *Larson v. C.I.A.*, 843 F.2d 1481, 1483 (D.C. Cir. 1988) (upholding a denial of a fee waiver to a requester who had failed to identify his relationships with newspaper companies that could disseminate documents).

The requested waiver is in the public interest because providing the copy of the information sought primarily benefits the general public. DFF has a demonstrated ability to disseminate information of public interest requested through freedom of information statutes, and based upon responses to this request may assist in publicizing records received to contribute to the public’s understanding of the President’s possible decision to terminate the Chair of the Federal Reserve, who yields significant influence over the nation’s economic policy. Indeed, records received by Democracy Forward Foundation have previously formed the basis of news reports.<sup>2</sup>

FOIA requires documents to be furnished to requesters at no fee or reduced fees "if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester." 5 U.S.C. § 552(a)(4)(A).

**Re: Freedom of Information Act Request**

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (“FOIA”), 5 U.S.C. §§ 552, Democracy Forward Foundation submits this request for records.

***Records Requested***

Democracy Forward Foundation (“DFF”) requests that the Federal Housing Finance Agency (“FHFA”) produce the following within twenty (20) business days:

All calendars or calendar entries (including calendar invitations, calendar invitation attachments) for FHFA Director William J. Pulte, including any calendars maintained by Director Pulte himself or on behalf of Director Pulte by any administrative assistant or scheduler.

DFF requests that calendars be produced in a format that includes all invitees, notes, and attachments. Please do not limit your search to Outlook calendars or the calendars attached to Director Pulte’s official FHFA email address; we request the production of any calendar – paper or electronic, on government or personal devices – used to track how Director Pulte allocates time on agency business.

This request seeks records from March 1, 2025, until the date of the search.

***Scope of Search***

FOIA requires agencies to disclose information, with only limited exceptions for information that would harm an interest protected by a specific exemption or where disclosure is prohibited by law. 5 U.S.C. § 552(a)(8)(A). In the event that any of the requested documents cannot be

If requested records are located in, or originated in, another agency, department, office, installation or bureau, please refer this request or any relevant portion of this request to the appropriate entity.

To the extent that the records are readily reproducible in an electronic format, we would prefer to receive the records in that format. However, if certain records are not available in that format, we are willing to accept the best available copy of each such record.

Please respond to this request in writing within 20 working days as required under 5 U.S.C. § 552(a)(6)(A)(i). If all of the requested documents are not available within that time period, we request that you provide us with all requested documents or portions of documents that are available within that time period. If all relevant records are not produced within that time period, we are entitled to a waiver of fees for searching and duplicating records under 5 U.S.C. § 552(a)(4)(A)(viii)(I).

## **Request for Fee Waiver**

Pursuant to 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's regulations, DFF requests a waiver of all fees associated with processing records for this request. FOIA requires documents to be furnished to requesters at no fee or reduced fees "if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester." 5 U.S.C. § 552(a)(4)(A).

In determining whether a fee waiver is appropriate, courts consider whether a requester has a "demonstrated . . . ability to disseminate the requested information," *Cause of Action v. F.T.C.*, 799 F.3d 1108, 1116-17 (D.C. U.S. Dep't of Justice*, 19 F.3d 807, 814-15 (2d Cir. 1994). FOIA does not require a requester to describe exactly how it intends to disseminate the information requested, as that would require "pointless specificity"; all that is necessary is for a requester to

# DEMOCRACY FORWARD

adequately demonstrate its “ability to publicize disclosed information.” *Judicial Watch, Inc. v. Rossotti*, 326 F.3d 1309, 1314 (D.C. Cir. 2003). In evaluating a fee waiver request, courts consider how a requester actually communicates information collected through FOIA to the public, including press releases or a website where documents received are made available, *see id.*, or whether the requester has a history of “contacts with any major news[] companies” that suggest an ability to disseminate materials of interest through the press. *Larson v. Cir. 1988) (upholding a denial of a fee waiver to a requester who had failed to identify his relationships with newspaper companies that could disseminate documents).

The requested waiver is in the public interest because providing the copy of the information sought primarily benefits the general public. DFF has a demonstrated ability to disseminate information of public interest requested through freedom of information statutes, and based upon responses to this request may assist in publicizing records received to contribute to the public’s understanding of the Administration’s priorities at FHFA. During a time when Director Pulte has made unprecedented decisions - such as significant changes to Fannie Mae and Freddie Mac and the referral of elected officials to the Department of Justice’s Criminal Division - it is important to understand the meetings he is taking and those he is meeting with. Indeed, records received by Democracy Forward Foundation have previously formed the basis of news reports.<sup>1</sup>
